Brownie, a 4-year-old cat who has drifted away from his home, returned to the delight but then horror of his owners. Glad to have him back, they were in turn horrified that he had a 13-inch arrow stuck through his head. Luckily the arrow had only skimmed the skull and the little guy is expected to make a full recovery.

The local Humane Associate in Bloomington, Indiana is offering a \$500 reward for any information leading to the arrest of whoever did this.
